

2020 Impact Report

Mission:

The Frederick A. DeLuca Foundation, Inc. supports charitable programs that empower people to lead healthy and productive lives through education, awareness, and research initiatives.

2020 Focus Areas:

In 2020, the Foundation disbursed a total of 148 grants across the following focus areas: Arts Education and Outreach, Healthy Communities, Scholarships, Workforce Development and Youth Development. The table below breaks down the foundation’s projected impact by focus area:

Focus Area	# of Grants	Projected Impact
Arts Education & Outreach	19	269,671
Healthy Communities	45	142,386
Medical Research	1	14
Scholarships	9	680
Workforce Development	24	6,440
Youth Development	50	126,845
COVID-19 Relief Grants	22 <i>(included in totals above)</i>	253,323
Total (with COVID-19)	148	799,637

The following pages provide brief descriptions of all the grants paid in 2020. Due to the COVID-19 pandemic, many program service delivery models were adjusted to virtual platforms.

Note: In the tables below, an asterisk (*) denotes a general operating support grant and therefore the total “projected served” numbers were approximated. Projected outcomes for fundraisers or fee payments were not estimated to avoid inflating the impact totals. A double asterisk (**) indicates the 35 grants that were approved in prior fiscal years, but paid in 2020. A triple asterisk (***) indicates that the 2020 projected served estimates were based on 2019 estimates.

Arts Education & Outreach

Funding Objectives:

Provide high-quality arts education programming to youth during school, afterschool, and summer programs.

Ensure that all children—regardless of income level—have the opportunity to experience and learn about the arts.

Grantee	Program Description	Projected Served	Region	1 st Time Grant?
Adrienne Arsht Center for the Performing Arts of Miami-Dade County	The Adrienne Arsht Center for the Performing Arts presents over 400 performances a year to over 4 million people. The funds support the AileyCamp Miami and Learning Through the Arts/Kitty Hawk – as well as the design and implementation of a new Learning Through the Arts program for all 9 th graders in Miami-Dade County Public Schools. Additionally, funding supports a new workforce development initiative, the Arsht Center’s groundbreaking Technical Theater Apprenticeship, a certified program that allows low-income minority young adults to learn skills that will lead to employment and self-sufficiency.	15,812**	Miami-Dade County	No

<p>Art and Culture Center/ Hollywood</p>	<p>The Art and Culture Center/Hollywood presents contemporary visual and performing arts shows and includes an adjacent art school and the Hollywood Central Performing Arts Center. The funds support three Arts Education Access Programs: Distance Learning Studio, in which K-12th grade students receive standards-based, thematic arts instruction via a teleconference during school hours; Arts Aspire, which helps young adults improve their workplace and leadership skills through arts internships; and Arts Outreach, a reduced tuition awards program for children in grades 3 – 8 who enroll in the Stage Kids and Summer Arts Camp program.</p>	<p>585**</p>	<p>Broward County</p>	<p>No</p>
<p>Boys & Girls Clubs of Broward County</p>	<p>The Boys & Girls Clubs of Broward County is an after school and summer program for underserved youth ages 6 - 18. The funds support the Art with a Heart Program which serves students by offering year-round open studio art classes that run in all twelve (12) Clubs Monday through Friday.</p>	<p>2,400**</p>	<p>Broward County</p>	<p>No</p>
<p>Broward Center for the Performing Arts</p>	<p>The Broward Center for the Performing Arts presents more than 700 events to more than 600,000 visitors each year. The funds support the Education Manager position at the Broward Center for the Performing Arts. The Education Manager provides program management support to the Director of Education and works directly with the public school district personnel to implement current programs as well as coordinate activities with youth centers, private schools and homeschooled students.</p>	<p>125,200**</p>	<p>Broward County</p>	<p>No</p>

<p>Broward Center for the Performing Arts</p>	<p>The funds support the SEAS and SEAS Plus programs as well as new initiatives, such as the Teaching Artist-in-Training Program, a stage apprenticeship program, Summer Saturday Camp and extended educational engagements for disadvantaged youth. These programs utilize the performing arts to bring reading, math, science and social studies alive and engage K-12 students with arts-based learning techniques.</p>	<p>33,226**</p>	<p>Broward County</p>	<p>No</p>
<p>Broward Education Foundation, Inc.</p>	<p>The Broward Education Foundation mobilizes the community to increase advocacy and financial support for the Broward County Public School System to impact student achievement. The funds support the Turnaround Arts Program – a nationally recognized, research-based arts program that improves academic performance, behavior and attendance. This is a partnership between Broward County Public Schools, Broward Center for the Performing Arts, and the Kennedy Center. The program is implemented in seven Title 1 schools.</p>	<p>4,609**</p>	<p>Broward County</p>	<p>No</p>
<p>Center for Creative Education</p>	<p>The mission of the Center for Creative Education is to strengthen the presence of arts in the classroom. The funds support the “Northwood Academy,” an afterschool program that utilizes an arts-integration teaching model to help students improve their skills in literacy, creativity and social emotional learning.</p>	<p>60</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Florida Youth Orchestra</p>	<p>The Florida Youth Orchestra provides a program of music education to over 400 students ages 4 - 18 and is recognized as Florida's premier youth orchestra. The funds support the NO LIMITS music education program, supporting underserved youth with Down Syndrome or who fall within the autism spectrum of disorders. NO LIMITS musicians provide 44 weeks of violin instruction in their homes and an instrument fitted to their physical shapes and abilities. A recital each March is provided for these special musicians to showcase their talents and to build confidence and self-esteem.</p>	<p>15</p>	<p>Broward County</p>	<p>No</p>
<p>Florida Youth Orchestra</p>	<p>Music STEPS provides 40 weeks of free after-school music lessons, instruments, and performance opportunities to economically disadvantaged and autistic children in nine Title I schools and two pre-schools (Kids in Distress and New Mirawood Academy). Students (most of whom have never played instruments prior to STEPS), perform recitals, building their confidence and skills. Professional music teachers give lessons in violin, wind, brass, percussion, and band.</p>	<p>690</p>	<p>Broward, Miami-Dade Counties</p>	<p>No</p>

<p>Long Wharf Theatre</p>	<p>Long Wharf Theatre’s Student Theatre Series engages middle and high school students through creativity and a sustained artistic dialogue to explore classroom curricula and modern-day events through theatre. Long Wharf provides a free in-school workshop, led by a Long Wharf theatre teaching artist, and offers substantially subsidized admission to live performances. The productions deliver professional, high-quality exposure to modern and classic plays, providing a powerful way to instigate conversation among youth.</p>	<p>1,200</p>	<p>New Haven County</p>	<p>No</p>
<p>Northwest Connecticut Association for the Arts, Inc. dba The Warner Theatre</p>	<p>The Mission of the Warner Theatre Center for the Arts Education (WTCAE) is to enrich, entertain and educate the community through high quality performing arts and arts educational opportunities. The WTCAE offers year-round and summer programs for children ages 5 – 17. Originally intended for the Summer Arts Program, which was canceled due to COVID-19, funds supported general operating expenses.</p>	<p>3,000*.*.*.*</p>	<p>Fairfield, Hartford, Litchfield, New Haven Counties</p>	<p>No</p>

<p>Nu Deco Ensemble</p>	<p>The mission of Nu Deco Ensemble is to create compelling and genre-bending musical experiences that connect new and diverse audiences and artists. The funds support Nu Deco's Imagination Concerts that are designed to inspire imagination and creativity through musical topics and are provided free-of-charge to students across Miami (virtually during the pandemic). They also provide meaningful, supplemental music education for Miami-Dade County Public Schools (including digital resources and study guides) and hope to inspire students to pursue participation in different musical programs.</p>	<p>4,000</p>	<p>Miami-Dade County</p>	<p>No</p>
<p>Orange Historical Society, Inc.</p>	<p>The Orange Historical Society (OHS) provides maintenance to the three museums and the collection of memorabilia for public viewing, historical preservation and education. The funds support the renovation of the Bryan-Andrew House Museum.</p>	<p>3,000*.*.*.*</p>	<p>New Haven County</p>	<p>No</p>

<p>The Palm Beach Symphony Society, Inc.</p>	<p>The Palm Beach Symphony is South Florida’s premier orchestra and has a mission of engaging, educating, and entertaining the greater community through live performances. The funds support the children’s concert, “One Small Step,” which brings live interactive orchestral-dance experiences to K-8 grade students, particularly focusing on 4th grade science concepts through pre/post workshops. In-school concerts bring musicians to guide and mentor middle and high school students. Programs were delivered virtually during the pandemic. The Symphony also awards instruments to underserved students and school music programs in need of instruments, with a yearly award of an advanced instrument to 1-3 high school seniors.</p>	<p>4,600</p>	<p>Broward, Palm Beach Counties</p>	<p>No</p>
<p>Shubert Theatre (CAPA)</p>	<p>The goal of Shubert New Haven is to increase programming and visibility for youth who are both the audience of tomorrow and underserved audiences, and to cultivate the talents of those who will someday work both on its stages and behind the scenes. The funds provided general operating support for the organization.</p>	<p>1,139*.*.*.*</p>	<p>New Haven County</p>	<p>No</p>

<p>South Florida Chamber Ensemble, Inc.</p>	<p>The South Florida Chamber Ensemble serves the community through a series of classical programming and educational initiatives. The funds support Quatro - a program for kids and older adults that combines multiple arts with culture, literature, literacy, memory, and self-esteem. In each session, participants hear a story and complete arts activities that include visual art, architecture, dance, music, and theater. Reading comprehension is assessed by works of art created based on each story.</p>	<p>580</p>	<p>Broward County</p>	<p>No</p>
<p>South Florida PBS</p>	<p>Often called "America's Largest Classroom," PBS provides programming produced to support a child's school-readiness and early literacy skills, offering long-term benefits that reach well into adolescence. The funds support the KidVision Music Time—Focus on Dance! which seeks to inspire cultural and dance knowledge through different types of dances children perform around the world. Twelve one-minute interstitials, each focusing on a different cultural dance form, will be produced and aired during children's programming slots on PBS.</p>	<p>53,916</p>	<p>Broward, Miami-Dade, Palm Beach Counties</p>	<p>Yes</p>

<p>South Florida Symphony Orchestra, Inc.</p>	<p>The mission of The South Florida Symphony Orchestra is to delight, inspire and educate the community through music. The funds support the Symphony in the Schools, which facilitates engagement in the arts for Broward County children and their families working primarily through the Broward County Public School district 'Turnaround Arts' and other Title 1 schools. These schools serve culturally/economically disadvantaged children who would otherwise have little to no access to orchestral music. The program consists of an in-school workshop followed by an orchestral performance integrating STEAM and historical concepts (Preserving Coral Reefs and 500 years of FL History). Programming was delivered virtually during the pandemic.</p>	<p>4,609</p>	<p>Broward, Miami-Dade, Monroe Counties</p>	<p>No</p>
<p>Young at Art Museum</p>	<p>Young at Art Museum seeks to create an arts-based learning environment that will transform the way children embrace the arts, become tomorrow's patrons of arts and develop into future advocates and supporters of the arts. The funds support YAA On-The-Go, a vehicle-based program that expands the organization's ability to impact homeless and low-income youth through arts enrichment activities and events held in underserved communities. The vehicle will enable YAA to transport homeless youth to its ArtREACH after school program from nearby schools, increasing participation to a maximum 30 youth daily. During the pandemic, the vehicle was used to transport art supplies and other basic needs to low-income communities.</p>	<p>11,030**</p>	<p>Broward County</p>	<p>No</p>

Healthy Communities

Funding Objectives:

Encourage healthy lifestyles and behaviors through education, awareness and sustainable solutions.

Improve health outcomes of youth and adults living in underserved communities by increasing access to nutritious foods, recreational activities, and healthcare services.

Grantee	Program Description	Projected Served	Region	1 st Time Grant?
Broward Partnership for the Homeless, Inc. dba The Broward Partnership	Broward Partnership (BP) is a comprehensive homeless service provider. The funding supports two staff (a Medical Assistant and Licensed Nurse Practitioner) who will help lead a collaboration between BP, other homeless providers in the county, the Department of Health, and Broward Health Medical Center. The funded positions will work with members of the collaborative to engage homeless individuals where they are, provide COVID testing, safe isolation, basic medical services, and eventually refer them to case management services provided by BP.	1,000	Broward County	Yes

<p>Children's Case Management Organization, Inc dba Families First of Palm Beach County</p>	<p>The mission of Families First of Palm Beach County is to advance the well-being of children and families through high-quality programs in prevention, early intervention, child development, education and advocacy. The organization is piloting the Infant Mental Health program, a prevention-based service for high-risk families. The goal is to improve well-being for child-welfare involved children and their families. Families First utilizes a trauma-informed approach by partnering with case managers, the courts, behavioral health providers, and families.</p>	<p>50</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Children's Case Management Organization, Inc dba Families First</p>	<p>The Kin Support Project, in collaboration with Legal Aid Society, provides home-based case management and legal services to relative caregivers who are raising a family member's child(ren), under the age of 18. The goal is to ensure that these children are not placed in the child welfare system. Through regular sessions, the program helps families be successful, strengthens the caregiver's parenting skills, develops the capacity towards self-sufficiency, and sustains healthy functioning.</p>	<p>100</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Community Health Center of West Palm Beach, Inc.</p>	<p>The Community Health Center (CHC) is a free health care clinic that relies on volunteer medical providers to provide health services to underserved residents. The funding supports a full-time Advanced Registered Nurse Practitioner (ARNP) who will deliver care to remote patients via CHC's new telehealth clinic, provide care to any walk-in patients when volunteer medical professionals are absent, and enable CHC to bring patient numbers back to their previous capacity.</p>	<p>400</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Connecticut Food Bank</p>	<p>The mission of Connecticut Food Bank is to provide nutritious food to people in need by supplying food products to member agencies, direct food distribution programs, and by promoting public awareness about the problem of hunger. The funds support the Connecticut Food Bank Mobile Pantry that helps address food deserts and transportation barriers to obtaining adequate nutrition.</p>	<p>24,360*</p>	<p>New Haven County</p>	<p>No</p>

Cystic Fibrosis Foundation	The Cystic Fibrosis (CF) Foundation provides the means to cure cystic fibrosis and ensure that those living with CF live long and productive lives. The funds support care of pediatric and adult patients with cystic fibrosis at the CF care center at Joe DiMaggio Children's Hospital in Hollywood, FL. The high quality of specialized care available throughout the care center network has led to the improved length and quality of life for people with CF. Located at teaching and community hospitals across the country, these care centers offer the best care, treatments, and support for those with CF.	153	Broward County	Yes
The Education Fund, Inc.	The Education Fund designs and implements initiatives that address significant disparities to improve outcomes for children in Miami-Dade County Public School. The funds support Food Forests for Schools, which is a first-in-the-nation effort to transform public school yards into eco-classrooms filled with superfoods via trees, bushes, vines and pathways that also supplies food to the school cafeterias and for the students to take home. The aim is to create systems and flagship models to guide expansion.	32,000**	Miami-Dade County	No

<p>Fort Lauderdale Independence Training & Education Center, Inc. dba FLITE Center</p>	<p>The FLITE Center guides those aging out of foster care and other vulnerable youth for successful transition to independence through housing, education, employment and system of care coordinator. The funds support the sustainability of one “emergency landing” space for females and will allow the organization to lease a second space for males, where former foster youth and dependents facing imminent homelessness can temporarily reside. During their stay, they receive intensive life-skills training, case management, and long-term housing placements are arranged by FLITE Center and partnering agencies.</p>	<p>70**</p>	<p>Broward County</p>	<p>No</p>
<p>Genesis Community Health, Inc.</p>	<p>Genesis Community Health is a Federally Qualified Health Center that promotes and provides health care to economically disadvantaged people. The funds support the Genesis Community Health (GCH) Outcomes Program which seeks to help eliminate health disparities by utilizing a Care Coordinator as an extension of the health care team to provide additional support to patients.</p>	<p>300</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Dr. Stanley and Pearl Goodman JFS of Broward County, Inc.</p>	<p>Dr. Stanley and Pearl Goodman JFS of Broward County, Inc. is dedicated to empowering individuals, strengthening families, protecting the vulnerable as well as helping seniors age safely and with dignity in their homes by providing innovative social services and programs. The funds will support the Behavioral Health Associates of Broward program, which is committed to ensuring that everyone in the community has a lifeline of support by providing quality, evidence-based services and offering subsidies based on financial need. The project will address seniors who need access to high-quality behavioral health services, but do not have the means to pay the costs. In addition, the project will offer seniors free support groups and workshops to help mitigate isolation and depression.</p>	<p>100</p>	<p>Broward County</p>	<p>No</p>
<p>Habitat for Humanity of Broward</p>	<p>Habitat for Humanity of Broward offers a “hand up” to low to very low-income families who are unable to qualify for free conventional financing but are willing to work hard to improve their family’s lives. The funds support new homes for five families who otherwise would not be able to afford home ownership. The grant also includes gap financing funds for up to five families.</p>	<p>56**</p>	<p>Broward County</p>	<p>No</p>

<p>Habitat for Humanity of Greater Miami</p>	<p>Habitat for Humanity of Greater Miami provides low income families with affordable homeownership opportunities. The funds support the construction of three new homes for qualifying low income individuals and families in need of safe, decent and affordable housing.</p>	<p>12</p>	<p>Miami-Dade County</p>	<p>Yes</p>
<p>Habitat for Humanity of Palm Beach County</p>	<p>Habitat for Humanity of Palm Beach County helps families in need build affordable homes and improve their homes. Habitat for Humanity of Palm Beach County's Aging-in-Place (AIP) program helps low-income seniors affordably retrofit their homes so they can safely continue to live there. Work performed under this program includes the conversion of bathtubs to handicapped-accessible showers, the elimination of trip hazards in and around the home, and the replacement of doorknobs with easy-grip handles. Homeowners pay a portion of the cost through affordable monthly payments.</p>	<p>30</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Health in the Hood, Inc.</p>	<p>Health in the Hood provides free, fresh foods and health education to underserved communities. The funds support the increased number of vegetable gardens built in the targeted low income Miami-Dade neighborhoods considered “food deserts” and also help expand the mobile vegetable marketing program that provides access to free produce to food desert residents.</p>	<p>600**</p>	<p>Miami-Dade County</p>	<p>No</p>

<p>Joe Dimaggio Children's Hospital Foundation, Inc.</p>	<p>Joe DiMaggio Children's Hospital Foundation provides philanthropic support to Joe DiMaggio Children's Hospital and ensures the ongoing availability of safe, quality, cost-effective, patient- and family-centered care, regardless of one's ability to pay, with the goal of improving the health of the community it serves. The funds support the ALLIES home-visiting model which addresses social determinants of health for seniors by: providing case management services to keep seniors socially connected, performing strategic home safety evaluations, and offering preventive education on issues like avoiding predatory lenders, taking medications safely and driving defensively.</p>	<p>200**</p>	<p>Broward County</p>	<p>No</p>
<p>Kids In Distress, Inc. dba KID Inc.</p>	<p>Kids In Distress (KID) is dedicated to the prevention of child abuse, the preservation of the family, and the treatment of abused and neglected children. The funds support Home Instruction for Parents of Preschool Youngsters (HIPPI), an international, evidence-based home visiting program that utilizes curriculum, books, guidance and interactive activities that help parents in their critical role as their children's first and most important teacher.</p>	<p>75</p>	<p>Broward, Miami-Dade, Palm Beach Counties</p>	<p>Yes</p>

<p>Kristi House, Inc.</p>	<p>Kristi House is a children’s advocacy center with a vision to end the epidemic of child sexual abuse. The funds support prevention education training programs to keep children safe from abuse. The training programs are offered to provide children with needed safety skills, teaching them that they are in charge of their bodies and have a right to say “no” to any kind of unwanted touch. They also provide adults with knowledge and awareness so that they can be responsible for listening to and protecting children. Programs are offered virtually during the pandemic.</p>	<p>15,526</p>	<p>Miami-Dade County</p>	<p>Yes</p>
<p>The Miami Foundation</p>	<p>The Miami Foundation (MF) plays a key role in leveraging resources to help sustain and support local nonprofits. The funds support the efforts of The Miami Foundation during the COVID-19 pandemic to ensure resource access to vulnerable populations who have been disproportionately impacted. The capacity building investments will focus on support for frontline nonprofits and arts and culture organizations serving youth.</p>	<p>50,000</p>	<p>Miami-Dade County</p>	<p>Yes</p>
<p>Orange Volunteer Fire Assoc, Inc.</p>	<p>The Orange Volunteer Fire Department provides fire suppression, rescue, prevention, and inspections to the community. The funds support self-contained breathing apparatus and firefighter turnout gear for the department.</p>	<p>6</p>	<p>New Haven County</p>	<p>Yes</p>

<p>South Florida Institute on Aging (SoFIA)</p>	<p>The South Florida Institute on Aging (SoFIA) improves economic and social insights and services to empower people as they age. The funds support the SoFIA Cares program which provides evidenced-based caregiving training to volunteers and workshops for employers, rapid response respite or companionship services with stipends, and awareness initiatives to strengthen caregiving resources.</p>	<p>658</p>	<p>Broward, Miami-Dade, Palm Beach Counties</p>	<p>No</p>
<p>South Florida Institute on Aging (SoFIA)</p>	<p>The funds support the SoFIA Tech program to increase the number of older adults receiving technology training on basic computer, email and smartphone skills. SoFIA is continuing to deliver these courses virtually, as well as topic- and/or device-specific workshops, throughout Broward and Southern Palm Beach counties.</p>	<p>350**</p>	<p>Broward, Palm Beach Counties</p>	<p>No</p>
<p>Special Olympics Connecticut, Inc.</p>	<p>Special Olympics Connecticut provides year-round sports training and competitions for over 12,000 athletes (individuals with intellectual disabilities) and Unified Sports® partners (individuals without intellectual disabilities who are the athletes' teammates). The funds support the Healthy Communities program, which improves the everyday life of people with intellectual disabilities while creating an army of health professionals who become change agents within their health disciplines.</p>	<p>2,289*.*.*</p>	<p>Conn.</p>	<p>No</p>

<p>United Way of Miami-Dade, Inc.</p>	<p>The United Way of Miami-Dade is focused on improving education, financial stability and health through helping all children reach their potential and achieve in school, empowering families and individuals to become financially stable and economically independent. The funds support EDEN (Educate, Develop, Empower, Nurture) Place, a program that provides the tools and skills to eliminate obstacles and empower parents to help their children navigate and guide their academic development.</p>	<p>600</p>	<p>Miami-Dade County</p>	<p>No</p>
<p>United Way of Miami-Dade, Inc.</p>	<p>The funds support Golden Wishes, a program that reaches out to low-income older adults ages 70+ to provide overlooked needs that they would not be able to fulfill themselves. Funds will also be used to support the wishes and COVID-related needs of low-income seniors.</p>	<p>28</p>	<p>Miami-Dade County</p>	<p>No</p>

<p>University of Chicago</p>	<p>The Thirty Million Words (TMW) Center (based out of the University of Chicago) was launched to develop evidence-based interventions that enable parents, caregivers, practitioners, and researchers to impact foundational brain development and address early cognitive disparities which have been found to have lifelong effects particularly among children born into poverty. The (TMW) Center aspires to create a population-level shift in the knowledge and behavior of parents and caregivers to optimize foundational brain development in children, from birth to age 5, particularly those born into poverty. The community-wide demonstration project will harness technology and educational videos that empower parents and caregivers with the knowledge and skills to develop their children’s intellectual and educational potential.</p>	<p>1,250**</p>	<p>Palm Beach County</p>	<p>No</p>
------------------------------	--	----------------	--------------------------	-----------

<p>Urban League of Broward County Incorporated</p>	<p>The Urban League of Broward County (ULBC) is dedicated to empowering communities and changing lives in the areas of Education, Entrepreneurship, Jobs, Justice, Housing, and Health. The funds support The Living Well 2020 program, a multi-pronged approach to addressing the high rates of chronic disease among Broward County's minority communities. Through the delivery of the Stanford Chronic Disease Self-Management curriculum, community ambassador-led walking groups, and care management by community health workers, the Living Well program can improve health outcomes and lower medical costs for those at risk of developing, and for those who have been diagnosed with a chronic disease.</p>	<p>144</p>	<p>Broward County</p>	<p>No</p>
<p>Women in Distress</p>	<p>Victims of domestic violence are calling Women in Distress not only seeking safety, but also medical care, housing assistance, mental health/substance abuse treatment and other resources. The funds support the Community Services Coordination Program which facilitates better collaboration among community partners, thus providing quicker access to resources. Areas of focus include assessing needs, linkage to resources, follow up with providers, enrichment activities and building collaborative partnerships.</p>	<p>250</p>	<p>Broward County</p>	<p>Yes</p>

YMCA of South Florida	For 100 years, the YMCA of South Florida has been dedicated to building healthy, confident and secure children, families and communities. The funds support the Health Navigation Program, which empowers residents to take control of their health outcomes. The program connects vulnerable populations to clinical resources (doctors, mental health counseling, health insurance, etc.) and to non-clinical resources (transportation, childcare, food assistance, etc.).	6,000**	Broward County	No
YMCA of South Florida	The funds support the expansion of the Mobile Aquatics Program, which offers water safety education and swim lessons to children and adults with disabilities, directly in their communities.	4,000**	Broward County	No
YWCA of Greater Miami Dade, Inc.	The YWCA of Greater Miami-Dade is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. Funds support the HER Health program which focuses on education and outreach, access to healthcare and provider commitment in an effort to fight breast and cervical cancer of vulnerable women who may lack proper health insurance, are linguistically isolated and/or experience other barriers to healthcare.	672	Miami-Dade County	Yes

<p>Community Foundation of Broward, Inc.</p>	<p>The Community Foundation of Broward helps individuals, families and businesses create personalized charitable Funds that support local nonprofit organizations. The Dignity in Aging Funding Collaborative consists of the Community Foundation of Broward, Jewish Federation of Broward County, United Way of Broward County, and The Frederick A. Deluca Foundation. The collaborative distributed nine grants for "Dignity in Aging" programs totaling \$606,728. The grants support programs that target senior isolation by providing case management, in-home access to technology as well as visits, day programs, art experiences, and pet therapy.</p>	<p>1,385</p>	<p>Broward County</p>	<p>No</p>
--	--	--------------	-----------------------	-----------

Medical Research

Funding Objectives:

Increase the quality of life for both patients and caregivers.

Provide valuable training opportunities and experience for younger researchers.

Permit researchers to focus on work, not fundraising.

Grantee	Program Description	Projected Served	Region	1 st Time Grant?
Yale New Haven Health Smilow Cancer Center	The Yale New Haven Health Smilow Cancer Center is dedicated to providing patients affected by cancer and blood diseases with individualized, innovative, convenient and caring medical treatment. The funds support the DeLuca Center for Innovation in Hematology Research Fund. The center allows for groundbreaking research by translating and advancing laboratory discoveries into practice-changing improvements in clinical care. The clinic will also foster the development of young investigators who will advance the next generation of treatments for leukemia and other hematologic malignancies.	14**,*** researchers	New Haven County	No

Scholarships

Funding Objective:

Fund scholarships that allow students to pursue higher education, increase their career options, fill workforce gaps in the community (nursing, vocational, etc.), and decrease the need for student loans.

Grantee	Program Description	Projected Served	Region	1st Time Grant ?
Broward Education Foundation, Inc.	The Broward Education Foundation mobilizes the extended community to increase advocacy and financial support to impact student achievement. Funds support three (3) scholarship programs serving first generation, homeless, and/or low-income students who are graduating high school and attending college or vocational/technical school, as well as 20 baskets with dorm supplies.	72	Broward County	No
College for Kids, Inc. dba Take Stock in Children Palm Beach County	Take Stock in Children offers underserved youth one-on-one mentoring, college readiness services, two-year prepaid tuition college scholarships and post-secondary retention services, while ensuring equity for youth facing systemic barriers. Funds support the purchase of 2-year FL Prepaid Scholarships (60 college credits hours) for 44 students.	44	Palm Beach County	Yes

Fairfield County's Community Foundation	Fairfield County's Community Foundation's mission is to enhance the quality of life for citizens of Greater Fairfield. Their scholarship program supports low-income students across Fairfield, Hartford, and New Haven counties at pre-designated high schools and colleges with a scholarship renewable for up to four years.	56	Fairfield, Hartford, New Haven Counties	No
Gateway Community College Foundation	The Gateway Community College Foundation assists Gateway Community College in expanding its services to students, enhancing academic instruction and investing in Connecticut's future. The funds support scholarships for students, professional development grants for students and faculty, as well as certification exam fees and tool kits required for technical programs. Student recipients were in the fields of Nursing and Allied Health, Culinary Arts and Automotive.	119***	New Haven County	No
Housatonic Community College Foundation, Inc.	The mission of the Housatonic Community College Foundation is to provide scholarship funds that are available for students in vocational programs in order to cover tuition, fees and/or textbooks that enable students to earn professional qualifications and put them on meaningful career paths. Scholarships covered tuition for vocational certification and degree programs.	44***	Fairfield County	No

<p>Mercy Learning of Bridgeport Incorporated</p>	<p>The mission of Mercy Learning Center (MLC) is to provide basic literacy and life skills training to low-income women using a holistic approach within a compassionate, supportive environment. The funds support the Women of Achievement Scholarship Fund which helps Mercy Learning Center graduates and potential graduates pursue post-secondary education. Workforce Development

Funding Objectives:

Underemployed and unemployed adults will be on the path to self-sufficiency through job preparation, training, and job placement programs.

Barriers to self-sufficiency will be addressed through a range of support services, including case management and childcare provision.

Encourage cross-sector collaboration—academic, non-profit, and corporate—to help adults learn and practice the skills necessary to thrive in today’s workforce.

Grantee	Program Description	Projected Served	Region	1 st Time Grant?
Adopt-A-Family of the Palm Beaches, Inc.	Adopt-A-Family (AAF) works to mitigate societal and economic barriers through the provision of supportive, affordable housing for formerly homeless and low-income families with children. Funds support the Job Coach Program, which equips residents of the agency’s housing program to pursue financial growth and independence through employment. The program is designed to result in specific, measurable outcomes related to workforce assessments, employer partnerships, decreased joblessness and underemployment.	110	Palm Beach County	Yes

<p>American Cancer Society, Inc.</p>	<p>The American Cancer Society is a nationwide, community-based voluntary health organization dedicated to eliminating cancer as a major health problem. Funds support the establishment of a Diversity Research Internship Program to help improve inclusion in the cancer research field and promote scientific workforce diversity. This program will offer paid biomedical research internship opportunities for undergraduate students whose racial or ethnic background is underrepresented within career stages of the biomedical research field.</p>	<p>80</p>	<p>National</p>	<p>No</p>
<p>Arc Broward</p>	<p>Arc Broward's mission is to transform the community by providing opportunities for people with disabilities and other life challenges to realize their full potential. Funds support Arc Broward's Workforce Programs that help people with disabilities train for, find, and keep jobs. Components of the program include vocational training in culinary arts, material handling, animal care tech, interpersonal skills development, financial literacy workshops, outreach to the business community, job placement, and post-employment support.</p>	<p>185</p>	<p>Broward County</p>	<p>No</p>

<p>The Arc of Palm Beach County</p>	<p>The Arc provides developmental, employment and continuing education programs for persons with intellectual and developmental disabilities. Funds support an Employment Specialist to expand the Collective Employment model which creates community-based, part-/full-time jobs for adults to work in groups of eight. In offering a team-based approach to completing job tasks, the organization provides clients with the technical and social skills required to succeed in the workplace.</p>	<p>36</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Association of Fundraising Professionals (AFP) Fort Lauderdale/ Broward Chapter</p>	<p>AFP works to advance philanthropy through advocacy, research, education, professional certification, a code of ethical principles and standards of professional practice. <p>SoFIA Fellows</p>	<p>South Florida Institute on Aging (SoFIA) seeks to improve economic and social insights and services to empower people as they age. SoFIA Fellows is an opportunity for older adults to expand their social network, gain an increased sense of purpose, and update their workforce skills through leadership labs, workforce skills trainings, and internships at local nonprofits.</p>	<p>30***</p>	<p>Broward, Miami-Dade, Palm Beach Counties</p>	<p>No</p>

<p>University of Florida Foundation, Inc.</p>	<p>The UF College of Nursing is committed to enhancing the skill level of professional nurses in Florida. Funds support adding simulation equipment to campuses in Gainesville and Jacksonville that allows students to train without risk to the patient or provider, essentially in the era of COVID-19. By funding scholarships, the grant will also help to create BSN-prepared nurse leaders at two newly acquired hospitals while producing more ready-to-teach DNP graduates. The grant will provide scholarships to 40 students attaining their RN and to 10 faculty candidates with an MSN.</p>	<p>337</p>	<p>Alachua, Duval, Lake Counties</p>	<p>Yes</p>
<p>University of Connecticut Foundation, Inc.</p>	<p>The UCONN School of Nursing's mission is to educate nursing scholars, clinicians, leaders, and healthcare consumers to foster interprofessional evidence-based practice with the goal of advancing the health of individuals, communities, and systems, both locally and globally. Funds supported the DeLuca Visiting Professorship in Nursing Innovation and New Knowledge in the UCONN School of Nursing to establish a culture of innovation within the school, and support innovation education and exploration amongst students, faculty and staff.</p>	<p>860</p>	<p>Hartford County</p>	<p>No</p>

<p>Vita Nova, Inc.</p>	<p>Vita Nova helps young adults transition to independence by providing a stable, nurturing environment that includes housing, counseling, and education. Funds support program staff to provide intake and assessment services, plus employment and education coordination to youth formerly in foster care, homeless youth, or youth at risk of homelessness. Youth will be connected to resources as a result of accessing the Spot – a drop-in center for homeless youth.</p>	<p>200</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Yale New Haven Hospital</p>	<p>The Smilow Cancer Hospital seeks to improve extraordinary, state-of-the-art patient care through excellence in training, skills improvement and educational opportunities for the oncology nursing staff. The grant expands an existing partnership to extend the nursing scholarship programs to nurses in all oncology disease teams, including tuition assistance and funding for professional development opportunities. The grant will also launch a Visiting Workshop series on communication and coping skills with patients, as well as expand the Oncology Nursing Month to include team building, speakers and stress relief.</p>	<p>600**</p>	<p>Conn.</p>	<p>No</p>

Youth Development

Funding Objectives:

At-risk youth, teens and adults will be on the path to self-sufficiency through college and career readiness programs.

At-risk youth will participate in activities and experiences that help them develop social, ethical, emotional, physical, and cognitive competencies.

Encourage cross-sector collaboration—academic, non-profit, and corporate—to help youth and young adults learn and practice the skills necessary to thrive as adults.

Grantee	Program Description	Projected Served	Region	1 st Time Grant?
Community Child Care Center of Delray Beach, Inc. dba Achievement Center for Children and Families	The Achievement Centers for Children and Families (ACCF) is an organization that provides early childhood education, afterschool and summer camp programs as well as family strengthening services to under-resourced children from 12 months to 18 years old. The Early Learning program teaches children, ages 12 months to 5 years old, utilizing evidence-based curriculum so that students can become Kindergarten ready.	80	Palm Beach County	Yes
Best Buddies	The Best Buddies transition program is designed to support individuals with intellectual and developmental disabilities (IDD) as they prepare to transition from high school to the workforce and ensure there is no gap in support. The program will support and provide the training necessary to make that successful leap through guidance and supportive employment.	150	Broward County	Yes

<p>Big Brothers Big Sisters of Miami</p>	<p>Big Brothers Big Sisters of Miami’s mission is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. Funds support the Community Based Mentoring Program and the Mentoring Children of Promise Program which match youth with committed adult mentors intended to be long-lasting, engaging, and effective relationships in developing the Little’s potential.</p>	<p>600</p>	<p>Miami-Dade County</p>	<p>Yes</p>
<p>Boys & Girls Clubs of Broward County</p>	<p>The Boys & Girls Club of Broward’s mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. The grant supports workforce development and college preparation programs that teach teens about critical employment skills, job readiness and planning for postsecondary success. Teens also learn how to become college-ready through weekly meetings with staff who discuss college preparation as well as college fairs and SAT Prep classes.</p>	<p>1,300**</p>	<p>Broward County</p>	<p>No</p>

Boys and Girls Clubs of Miami-Dade, Inc.	The Boys & Girls Club of Miami-Dade's mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. Funds support Project Learn, which is a program for children K-5th grade that provides homework help, physical fitness, arts, STEM, etc. Funds also support Great Futures for Teens, a program for youth 6th-12th grade that provides academic support, financial literacy, physical fitness, sports, college readiness, ACT/SAT prep, leadership development and employment opportunities.	665	Miami-Dade County	No
Boys & Girls Club of Milford Incorporated	The Boys & Girls Club of Milford's mission is to enable all young people to reach their full potential as productive, caring, responsible citizens. Funds support a broad range of programs in five Core Program Areas including: education and career development, character and leadership development, health and life skills, the arts, as well as sports, fitness and recreation.	500***	New Haven County	No
Boys & Girls Clubs of Palm Beach County, Inc.	The Boys & Girls Club of Palm Beach County's mission is to enable all young people to reach their full potential as productive, caring, responsible citizens. The funds support the Career Bound program that helps high school students identify career goals, acquire skills and aptitudes to submit competitive applications for post-secondary education, and to acquire job readiness skills.	600**	Palm Beach County	No

<p>Bridgeport Public Education Fund, Inc.</p>	<p>The Bridgeport Public Education Fund (BPEF) assists first-generation, low-income students with access to college and career opportunities. Beginning in high school through the Mentoring for Academic Achievement and College/Career Success (MAACS) program, BPEF helps students develop the passion, knowledge, and skills to pursue higher education. Additionally, BPEF provides college/career completion services to eligible MAACS students who are matriculated in a post-secondary college or vocational/technical education through the College Assistance Program (CAP).</p>	<p>252*.*.*.*</p>	<p>Fairfield County</p>	<p>No</p>
<p>Children's Services Council (CSC) of Broward County</p>	<p>The CSC's mission is to provide leadership, advocacy, and resources necessary to enhance the lives of the children of Broward County and empower them to become responsible, productive adults through collaborative planning and funding of a continuum of quality care. Funds support the expansion of the Youth FORCE program to an additional 180 middle school youth per year for 4 years. The goal of the Youth FORCE (Friends, Opportunities, Resources, Counseling & Education) program is to reduce risk factors associated with delinquency, teen pregnancy, substance abuse, school dropout, and other risky behaviors by providing innovative, positive youth development programs that promote resilience, social-emotional learning, and academic supports.</p>	<p>180</p>	<p>Broward County</p>	<p>Yes</p>

<p>Crockett Foundation, Inc.</p>	<p>The Crockett Foundation’s mission is committed to improving quality of life and building strong communities locally and internationally. Coding Explorers provides at-risk middle-school students with the unique opportunity to gain 21st-century technology skills. Through hands-on learning of coding concepts and the application of knowledge to create computer games, mobile apps and websites, students will gain computer-based certifications, critical decision-making competencies, self-confidence and an early exposure to college.</p>	<p>140**</p>	<p>Broward County</p>	<p>No</p>
<p>Education Foundation of Palm Beach County, Inc.</p>	<p>The Education Foundation of Palm Beach County is the philanthropic support entity for the public school system. This project will increase the number of students, teachers and schools served through the Red Apple Supplies and GoTeach! Classroom Grant programs. Red Apple Supplies is ensuring that teachers and students in high needs schools have the supplies they need to succeed, while GoTeach! Classroom Grants ensure that innovative ideas from teachers (focused on literacy, STEAM and Career Education) are awarded through a competitive grant opportunity.</p>	<p>55,000</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Education Foundation of Palm Beach County, Inc.</p>	<p>Funds support the expansion of a Cybersecurity Academy at Santaluces Community High School. The program is designed to provide an innovative learning environment that meets the needs of students who wish to specialize in cybersecurity. Students in this program will take cybersecurity courses while exploring cybersecurity and IT-related careers. Participating students will be able to graduate from high school with their diploma as well as industry certification(s) that will provide opportunities for post-secondary employment.</p>	<p>25</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Education Foundation of Palm Beach County, Inc.</p>	<p>The Education Foundation of Palm Beach County and the School District of Palm Beach County partnered with Palm Beach County government and local municipalities to build a Wi-Fi mesh network to provide 25,000 students on free or reduced lunch with free reliable internet through Wi-Fi extenders. The initiative will enable students to access virtual school and enable their families to access other resources like telehealth, educational and employment opportunities. The grant will fund Wi-Fi extenders for 1,727 students.</p>	<p>1,727</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>enFAMILIA, Inc</p>	<p>enFAMILIA’s mission is to build healthy relationships through education and the arts. Funds support enFAMILIA’s afterschool program that serves migrant farm working families and low income elementary and middle school students from Title 1 schools in the Deep South of Miami-Dade County. The program’s goals are to ensure each student successfully passes to the next grade level, while receiving the tools needed to succeed in life through academic assistance, social support, enrichment activities such as arts and sports, and one-on-one mentorship.</p>	<p>31</p>	<p>Miami-Dade County</p>	<p>Yes</p>
<p>For the Children, Inc.</p>	<p>The mission of For the Children Inc. is to provide children and their families with quality and affordable education, recreational, and family support services that foster positive physical, emotional, social, cognitive growth and development. The Teen Zone (TZ) offers an array of afterschool activities conducive to the cognitive, physical, and socio- emotional development of its participants who are being identified as at-risk for academic failure. Typically an afterschool program, because of COVID-19, TZ will now be open during school hours to allow students to complete school assignments using the program’s devices and gain internet access in order to maintain high school graduation and grade promotion rates.</p>	<p>50</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Friendship Circle of North Broward and South Palm Beach, Inc.</p>	<p>The Friendship Circle serves youth with disabilities and their families across North Broward and Palm Beach Counties. Funds support The Friendship Circle Bakery, a new social enterprise program that will offer young adults with disabilities opportunities to learn critical life and employment skills, gain confidence, as well as take on the responsibilities of a small business.</p>	<p>75</p>	<p>Broward, Palm Beach Counties</p>	<p>No</p>
<p>The Fruitful Field, Inc.</p>	<p>The Fruitful Field uses creative and sustainable use of land, provides dynamic hands-on learning opportunities for all ages, and builds healthy relationships with the local community and beyond. GrowCity Youth is a paid internship for youth between the ages of 14 and 18. Through the use of formal lessons, manual farm labor, and an entrepreneurial project, GrowCity interns learn first time job skills, sustainable agriculture and cooking basics. Youth also learn about hunger relief and participate in community service.</p>	<p>16</p>	<p>Broward County</p>	
<p>The Fruitful Field, Inc.</p>	<p>GrowCity Youth is a paid internship for youth between the ages of 14 and 18. Through the use of formal lessons, manual farm labor, and an entrepreneurial project, GrowCity interns learn first time job skills, sustainable agriculture and cooking basics. <p>Junior Achievement of Greater Miami</p>	<p>Junior Achievement of Greater Miami’s mission is to empower young people to own their economic success. Funds support the JA Inspire program for middle school students. The students complete an online assessment that helps them identify potential career paths based on their interests and skills. The students then participate in a Career Expo event in which they will have interactive experiences that demonstrate what employers are expecting in the future.</p>	<p>6,000**</p>	<p>Miami-Dade County</p>	<p>No</p>
<p>Junior Achievement of South Florida</p>	<p>Junior Achievement of South Florida’s mission is to inspire and prepare youth to succeed in a global economy. Funds support JA Career Bound, an 11-month program for Title 1 high school students teaching essential soft skills and providing 80 hours of business instruction focused on engagement and application. The program also exposes students to work settings to learn about career opportunities and network with employees at all levels and job roles in various industries. The program culminates in a summer internship that opens doors for future opportunities. Additionally, through the JA Job Shadow program, students experience experiential learning sessions and work-readiness education, including a worksite visit experience.</p>	<p>375**</p>	<p>Broward County</p>	<p>No</p>

<p>The Lord's Place</p>	<p>The Lord's Place is dedicated to breaking the cycle of homelessness by providing innovative, compassionate and effective services to men, women and children in our community. The Youth Services program provides children experiencing homelessness with comprehensive educational support and year-round enrichment activities to promote their healthy development. The program ensures that homeless youth have access to the same resources and opportunities as their non-homeless peers.</p>	<p>45**</p>	<p>Palm Beach County</p>	<p>No</p>
<p>The Miami Foundation</p>	<p>Funds support a collaborative effort between The Miami Foundation, The Frederick A Deluca Foundation, Wallace Coulter Foundation, and Peacock Foundation, to provide all 348 Miami-Dade Public School principals with \$500 in discretionary funds to directly respond to emergency COVID-19 needs of students, staff, and school community.</p>	<p>348</p>	<p>Miami-Dade County</p>	<p>Yes</p>

<p>Milagro Foundation, Inc. dba The Milagro Center</p>	<p>The Milagro Center’s mission is to ensure the social and academic success of underserved children and youth through Cultural Arts, Living Values, Academic Support, and Mentoring. Grant funds will support The Milagro Center’s Junior Teen Leadership Program that focuses on the unique social and emotional needs of economically challenged, academically at-risk 6th, 7th, and 8th graders. Forty students are enrolled in this program with a goal of growing the annual enrollment to fifty students. A portion of grant funds each year will be used to establish a restricted emergency fund for qualifying students.</p>	<p>40</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Milagro Foundation, Inc. dba The Milagro Center</p>	<p>The funds will grow the music program to provide music appreciation and awareness to all of the economically challenged, academically at-risk children and teens the organization serves and increase the number of students who will practice an instrument. The organization will also increase the number of public performances made by the ensemble and teen band.</p>	<p>120</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Museum of Discovery and Science dba MODS</p>	<p>The Museum of Discovery and Science strives to connect people and inspire science. The funds will establish the <i>MODS STEMobile</i>, a Makerspace on wheels, delivering project-based learning using high-end equipment unavailable to many youth. STEM Educators will deliver programs, reaching 50,000 annually including low-income and at-risk youth. Teacher workshops will strengthen classroom STEM learning, impacting even more youth. The STEMobile supports workforce development as well as providing paid positions for interns.</p>	<p>50,000</p>	<p>Broward, Miami-Dade, Palm Beach Counties</p>	<p>Yes</p>
<p>Pace Center for Girls</p>	<p>Pace Center for Girls provides girls and young women an opportunity for a better future through education, counseling, training and advocacy. Funds support The Spirited Girls program through a Specialist that will teach a life management curriculum about making positive decisions and lifestyle choices. The Youth Development Specialist works with girls one-on-one and in small groups to provide support, tutoring, leadership and mentorship. Both teachers will assist to organize volunteer, internship and employment activities.</p>	<p>180</p>	<p>Broward County</p>	<p>Yes</p>

<p>Path to College</p>	<p>Path to College strives to enrich the academic growth and increase the competitiveness of low-income, high-achieving students in their admission to college. The three-year competitive Academic Fellowship provides intensive college preparation, mentoring, and leadership development that enriches the academic growth and increases the competitiveness of low-income, high performing students in college admissions. The outreach program provides eight hours of targeted and hands-on college and career guidance in a four-week program.</p>	<p>210</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Prime Time Palm Beach County, Inc.</p>	<p>Prime Time Palm Beach County's mission is to help children and youth succeed by strengthening and expanding quality in the out-of-school time field, prioritizing programs with a majority population of children from low-income communities. Funds support Prime Time's Expanded Learning Opportunities to provide children and youth with quality enrichment activities in five content areas: Supporting School-day Academic Learning, Exploring Technology, Caring for the Whole Child, Discovering Arts and Culture, and Leadership and Career Pathways.</p>	<p>5,398</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Project LIFT, Inc.</p>	<p>Project L.I.F.T. (Life Initiatives for Teens) invests in the lives of youth by introducing skills that will inspire youth to explore opportunities to be successful outside of delinquent behavior. Their Belle Glade program delivers mental health, education and skilled trades services provided through vocational training. At risk youth engage in hands-on vocational training in eleven trades while seasoned instructors, licensed therapists, and substance abuse experts work with them in a hands-on high-touch vocational setting to address issues including work readiness, addictions, truancy, academic failure, gang involvement, violent behavior, depression, suicide and abuse-related trauma.</p>	<p>150</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Reyna Group Homes Foundation, Inc.</p>	<p>Reyna Group Home is a safe haven offering a home environment and family setting for special needs children ages three to seventeen in the foster care system with developmental disabilities, autism, and down syndrome. Funds support the children's program by meeting critical needs of food, clothing, household repairs/maintenance, pre/post reunification services, etc.</p>	<p>25</p>	<p>Broward, Palm Beach Counties</p>	<p>Yes</p>

<p>SOS Children's Village of Florida Inc.</p>	<p>SOS Children's Villages Florida is a foster care neighborhood providing healing, hope and home to foster children in Broward and Palm Beach Counties. Funds support the Next Steps program, which assists clients aging out of foster care and helps them to become independent and productive members of society. This goal will be achieved by providing support to assist clients in proactively managing their housing, finances, medical services, transportation, education, and career goals.</p>	<p>135**</p>	<p>Broward County</p>	<p>No</p>
<p>Student ACES dba ACE</p>	<p>Student ACES (ACE) is dedicated to inspiring every student to achieve a foundation of honor, character and integrity that will leave a positive and permanent impression on their teams, schools and communities. The SPARK Program at The Student ACES Center (SAC) in Belle Glade will bring applied STEM education, STEM job and trade information, renewable energy and robotics to the SAC. The SPARK Program will give teens in the Glades knowledge and opportunity, which they would not otherwise receive.</p>	<p>37</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>United Way of Palm Beach County, Inc.</p>	<p>United Way of Palm Beach County’s mission is to ensure that everyone in Palm Beach County has access to the basics: a quality education, a place to live, financial stability, good medical care, and enough to eat. Funds support year-round free, nutritious meals to children in need at afterschool sites, and summer feeding sites (Summer Breakspot), in conjunction with enrichment activities related to literacy, nutrition, safety, physical activity, and healthier living. This program will take place in community settings where the children live to eliminate transportation challenges.</p>	<p>800</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Urban League of Palm Beach County, Inc.</p>	<p>The Urban League of Palm Beach County’s mission is to assist African Americans and other minorities in the achievement of social and economic equality. Funds support STEM Now, a program that provides low achieving 6th-8th graders from Title I Schools in Palm Beach County with Science, Technology, Engineering and Mathematics (STEM) education. This immersion program is designed to increase and sustain interest in the areas of STEM as well as set a path for youth to pursue STEM in high school, which may eventually lead to STEM careers.</p>	<p>100</p>	<p>Palm Beach County</p>	<p>Yes</p>

<p>Urban Youth Impact</p>	<p>Urban Youth Impact is a faith-based organization that serves inner-city youth through an afterschool program that focuses on academic achievement, leadership skills and engaging enrichment programs. The Leadership Academy (TLA) serves 70 elementary and middle school students in the after-school program. The students will improve their literacy skills and participate in STEAM enrichment programs.</p>	<p>94</p>	<p>Palm Beach County</p>	<p>Yes</p>
<p>Village of Hope Palm Beach County, Inc.</p>	<p>Villages of Hope provides independent living residential support and essential life-skills development for emancipated foster youth and other homeless youth in need. The funds support additional staff for the Transition to Independent Living Program at the Villages of Hope which is committed to strengthening families and ensuring the well-being of homeless young adults. With their primary need of housing met, these individuals and families are offered the skills and support necessary to live with dignity, independence, and stability.</p>	<p>51**</p>	<p>Palm Beach County</p>	<p>No</p>
<p>Wakeman Boys & Girls Club</p>	<p>The mission of the Wakeman Boys & Girls Club is to guide and inspire young people to reach their full potential as productive, caring and responsible citizens. Funds support afterschool (and daytime, during the pandemic) programming at the Smilow-Burroughs Clubhouse.</p>	<p>297***</p>	<p>Fairfield</p>	<p>No</p>

<p>Yale Peabody Museum</p>	<p>The mission of the Yale Peabody Museum is to serve Yale University by advancing understanding of the earth's history through geological, biological, and anthropological research, and to communicate the results of this research to the widest possible audience through publication, exhibition, and educational programs. EVOLUTIONS (Evoking Learning and Understanding through Investigations of the Natural Science) is the Museum's free, multi-year science and college-focused, afterschool program. EVOLUTIONS engages area public high school students in college- and career- preparation by attending weekly afterschool classes where they conduct experiments, tour the collections, explore careers, and learn more about colleges.</p>	<p>100</p>	<p>New Haven County</p>	<p>No</p>
